## ASPIRING SOFTWARE DEVELOPER

Laguna, Santa Cruz | +639085217856 | garinjeremy6@gmail.com | www.jeremygarin.works

Aspiring software developer passionate about building responsive, real-time apps using modern tools like Flutter, Firebase, and React. Experienced in collaborative development and creating production-like academic projects with clean UI and scalable architecture.

### AREA OF EXPERTISE

Flutter Development	Firebase (Auth, Firestore)	Version Control (Git/GitHub)
React & Web Development	Responsive UI Design	Cross-platform App Development

### KEY PROJECTS

- HAUL Thriftstore** – A cross-platform e-commerce app built with Flutter and Firebase
- Admin Dashboard** – A responsive React-based dashboard for managing users and listings

### PROJECT EXPERIENCE

#### HAUL Thriftstore (Final Project – Sophomore Year) Apr 2025

- Developed a cross-platform e-commerce mobile app using Flutter and Firebase
- Implemented user authentication, product listing, and inventory features
- Built a custom admin dashboard using React and Tailwind CSS for seller and product management
- Collaborated with a team to complete the final requirement for the 2nd semester

#### StreamSage (1st Place – Campus Hackathon Project) May 2025

- Built a web platform where users can watch educational videos and take notes in real time
- Developed within 24 hours during a campus hackathon using React, Tailwind CSS, and Supabase
- Contributed to both frontend UI and backend integration for smooth content delivery
- Won 1st place for innovation, usability, and technical implementation

### EDUCATION

<b>Bachelor of Science in Computer Science</b>	<b>Aug 2023 - Present</b>
Laguna State Polytechnic University - Santa Cruz Campus	

### TECHNICAL SKILLS

- Technical:** REST APIs, UI Component Libraries, State Management, Mobile App Debugging
- Soft:** Team Collaboration, Adaptability, Critical Thinking, Time Management

### ADDITIONAL INFO

- Languages & Frameworks:** Flutter, Dart, JavaScript, React, HTML5, CSS, Tailwind CSS
- Technologies & Tools:** Firebase, Git, GitHub, VS Code
- Languages Spoken:** English, Filipino
